Gentlemen:

I am writing in support of the election of Clara Barton to the Hall of Fame for Great Americans in New York. Clearly, Miss Barton was a great American. She founded the American Red Cross, was the initiator of the first public school system in New Jersey, and did heroic work on the battle fields of many nations.

It is also especially appropriate that she should be elected to the Hall of Fame being the only woman nominated.

I hope that she will be elected. Thank you.

Sincerely,

Rev. Stephan R. Papa
